Maths Specialist Tender

Maths Specialist Advert Online 23 March:

www.dcsf.gov.uk

Programme Aims

- To appoint one lead HEI in each of 9 government regions (North West, North East, Yorkshire, East Midlands, West Midlands, South East, South West, London)
- To train 200 trainees in Year 1
- To add HEIs to increase each region's capability in Year 2
- To target 13 000 teachers by 2019

Training Bids

Bids should:

- Take into account lessons learned from the pathfinder
- Be developed in partnership with Local Authorities

ITT provides help on this

- Looking at notional responsibilities of all partners
- Including support roles of the Department and the National Strategies

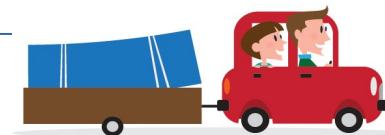

Training Models

- Main focus on 3 year programme (and how it fits with Masters in Teaching and Learning)
- But also an opportunity to develop fast-track model (initially for 56 pathfinder participants only)

Timetable

- Advert: 23 March 2009
- Closing date: 30 April 2009
- Successful bidders notified : 31 May 2009
- Course development time: June-Dec 2009
- Bidders notified of LAs to work with: June 2009
- Preparation work with LAs: Sept- Jan 2009
- First Training begins: January 2010
